

AROUND THE WORLD

Sept 21 – Oct 31

Starting Sept 21, Ambli's Dining room will be **Full Tasting Experiences** only. There will be no a la carte options. We will be focusing on 3 countries per month; each representing the ethnicity and flavors of that region; **Ambli-style**. There will be 7 Tastings per region; starting with Street Food thru Dessert; \$65/pp. This is still a shared table experience like we have always offered.

If you want to have a more casual dining experience, please join us in our beautiful Bar for lighter snacks and cocktails that are different from the Tasting menu
